Do your employees know what to do if confronted with an active shooter? What if a reporter, anchor or DJ is being stalked or threatened—what do they and you do? What if there is a threat where they are filming or doing an “on-scene” promo. Where are the “safe” places in your station?

2 three-hour sessions: one for your employees who work primarily in the station, one for your “on-scene” staff who go on location for reporting or promotions.

Presented by Greg Oster of SPaRTactical. Greg is retired from the Boise Police Force, a former SWAT team member and trainer of rookie policemen.
