

NCSA PLACEMENT ORDER
January thru March, 2021

TO: NCSA Coordinators - Radio
FROM: Connie Searles
RE: Radio Spots

NCSA funds are very important in our efforts to keep your stations healthy. The key to our continuing an effective NCSA program is YOUR reporting back to us the use of our NCSA's. They are an essential component in the financial health of your professional organization. If you have an educational opportunity in mind that will enhance your position, don't forget about our Employee Grants. Subsidized by the NCSA funds, \$500 grants help you advance at your station.

We have three NCSA clients for the 1st quarter. They are:

- Idaho Army National Guard Various spots, please rotate evenly. You can pick up the spots here:

- Project Filter: "Vaping Dangers" New spots are in production. In the meantime, please continue using the one from Eagle High School. I will notify you when the new spot is ready to be aired. You can pick up the spots here:

- Idaho Dept. of Transportation: "Star Card ID" You can pick up the spots here:

Please return your affidavits monthly. This is especially crucial for the Guard as I have to report monthly!

Once again thank you for your past participation and we look forward to your continuing use of these NCSA's
